

## **SOCCER TEAM SPONSORSHIP**

Your donations are tax deductible. We are a 501c3 organization FEI 20-1391381

**\$275.00**

Thank you so much for your efforts in supporting the youth of our community. Last year we had over 650 local kids participating between the ages of 4 –19 for both boys and girls and are playing our home games at the park in Lake Wales on Hunt Brothers Road. We continue our efforts in providing soccer facilities and an avenue for the youth in our community to enjoy the game of soccer. Currently we are continuing to work with both the City and County, as well as citizens, to attempt to finalize the lights at the Soccer Complex. Due to fundraising efforts by our club and City of Lake Wales, additional lights were placed down the middle of the South fields in late July 2017. Thanks to all who have contributed. We also have a couple of grant requests pending for additional funding. For up to date information on the league please go to our website at [www.LakeWalesSoccer.com](http://www.LakeWalesSoccer.com).

We are asking that you might consider sponsoring a recreational team this year. We provide a team sponsorship plaque and include your name on each jersey.

Attached is the team sponsorship form which you can complete with any specifics concerning name, team color, or a child associated with the team.

Make payable and send to:

Lake Wales Soccer Club  
1191 S. Lakeshore Blvd.  
Lake Wales, FL 33853

Sincerely,

Tony Mathewson: (C) 863-528-9131
